

POCKET

design Studio Tecnico

La sedia pieghevole Pocket presenta un minimo ingombro nella versione chiusa. Proposta con struttura in metallo verniciato o cromata associa per le scocche laccature o essenze, in dotazione, a richiesta il gancio a parete.

The folding chair Pocket is very slim once closed, available in chromed or steel alike coating in combination with lacquered or wooden seats and back: on demand, supplied with its own hook.
